

## Prayer and Praise

*Prayer is one of the most loving gifts we can give. When we bring the needs of others before our heavenly Father – whether it be for healing, encouragement, comfort or more – we invoke the most powerful help available.*

- ♥ Please be in *prayer*, encouraging our shut-ins: **Vic Brown** (Perley-Rideau), **Darrell and Glenna Dickinson** (home), **Cora Greene** (New Orchard Lodge), **Lil MacNaughton** (Grace Manor), **Frank and Betty Moir** (P.D. Clark), **Jean Mulder** (home), **Cheryl Osborne** (home), **Daphne Phillips** (West End Villa), **Marion Rotar** (Billingswood Manor), and **Audrey Rourke** (home), **Ida Sharpe** (home).
- ♥ Continue to *pray* for **Jeanette Dahms** who is at home. She will have her next round of chemo in a couple of weeks.
- ♥ Continue to *pray* for **Frances Elliott** who is still experiencing considerable discomfort as she awaits her upcoming surgery. Uphold **Ben** who is at home with neutropenia which is an extremely low white blood cell count; his white cell count needs to increase greatly before further treatment can continue.
- ♥ *Pray* for those who are **ill** and **in hospital** or **facing tests**.
- ♥ *Pray* for **unsaved** family members, friends and co-workers.
- ♥ *Pray* for our **ministry development and growth** here at AV.
- ♥ *Pray* for those in **work situations** where pressures and stresses are great.
- ♥ *Pray* for those that have **loss of income** and are **struggling financially** in these difficult economic times. May the Lord enable us by His grace to have wisdom to keep things in perspective during these unsettling days.
- ♥ *Pray* for **those** that will be taking the step of obedience tonight in the waters of baptism.
- ♥ *Pray* for our **“Town Hall”** meeting tonight and then our **Business meeting** on Wednesday, June 3rd. *Pray* that God’s will would be accomplished.
- ♥ *Pray for Kamp Agappae* which is scheduled for the week of July 27-31. Prayer partners are needed and there are other ministry opportunities available; speak with Pastor Jim.

## Mission Focus and Prayer Requests

The Flemmings  
Dear friends,

FEB International, Guelph

We thank you once again for your incredible support and encouragement to us over the years as we have served the Lord in various mission ministry capacities. We know that you have been praying for us as we have been seeking God concerning our next area of service. He has opened up a wonderful opportunity in the Democratic Republic of the Congo which we shared with you in our last letter. Things have continued to develop in this direction and we will be sending you a complete update shortly as well as be in contact with you over the next number of months.

The reason for this particular letter is to share with you a new family challenge so that you can join us in *prayer*. Our daughter Lindsey and her husband, Dan, are expecting their first child and our first grandchild in mid September. In a routine ultrasound two weeks ago, a problem with the baby's heart was detected. They were sent to McMaster in Hamilton to do further testing. It was determined that the baby suffers from a very serious heart defect called Hypoplastic Left Heart Syndrome (HLHS). Twenty years ago all cases were fatal. The baby, throughout the rest of the pregnancy, will be monitored at Sick Kids in Toronto and Lindsey will need to deliver at Mount Sinai Hospital, which is just across the street. The most likely treatment will involve three heart surgeries conducted over the baby's first four years of life.

This has been such a heartbreak for our family. Yet, we are living day by day in the grace and peace of the Lord. We would dare to ask you to *pray* for all of us and in particular Dan and Lindsey and their little son. We know that God can heal his little heart. We know as well that God can give the grace to face whatever lies ahead.

We thank you that we can share with you what most touches us, confident that you too care and will *intercede* for us.

Resting in His faithful love and grace,  
Brenda & Richard

### Urgent Recall Notice

The Master of the Universe Announces Recall Of Prototype Units  
News From World Wide Consumer Product Safety Commission  
Office of Information and Human Resources

For Immediate Release – May 2009

Ottawa, ON – Trinity Developments is recalling all units (approx. 6 billion) manufactured, regardless of make or year, due to a serious defect in the primary and central component of the heart. This is due to a malfunction in the original prototype units (see below).

<u>Model</u>	<u>Model Number</u>	<u>Serial Number</u>
Eve	WOMANI	00000000002
Adam	MANI	00000000001

This defect has resulted in the reproduction of the same defect in all subsequent units. This defect has been technically termed “Subsequential Internal Non-Morality” or more commonly known as S.I.N.

Symptoms of this defect include:

1. Loss of direction
2. Foul vocal emissions
3. Amnesia of origin
4. Lack of peace and joy
5. Selfish or violent behaviour
6. Depression or confusion
7. Fearfulness
8. Idolatry
9. Rebellion
10. Excessive drinking

The Manufacturer, who is neither liable nor at fault for this defect, is providing factory-authorized repair and service free of charge to correct this SIN defect. The Repair Technician, Jesus, has most generously offered to bear the entire burden of the staggering cost of these repairs. There is no additional fee required. The number to call for repair in all areas is: 1(800) P-R-A-Y-E-R. Once connected, please upload your burden SIN through the REPENTANCE procedure. Next, download ATONEMENT from the Repair Technician, Jesus, into the heart component.

No matter how big or small the SIN defect is, Jesus can fix it. Refer to the operating manual, the B.I.B.L.E. (Basic Instructions Before Leaving Earth) for further details and pray this prayer:

“Lord Jesus, I am sorry for the things I have done wrong. I ask for your forgiveness and I turn from everything I know to be sinful. Come into my life and fill me with your Spirit. Thank you, Amen.”

Warning: Continuing to operate the human being unit without correction voids any manufacturer warranties, exposing the unit to dangers and problems too numerous to list and will result in the human unit being permanently impounded. DANGER: The human units not responding to this recall action will have to be scrapped in the furnace. The SIN defect will not be permitted to enter Heaven so as to prevent contamination of that facility.

P.S. Please assist where possible by notifying others of this important recall notice. You may contact the Father anytime by “knee-mail”.

WHEN WE PRAY in the Holy Spirit, we bring to God the things that come quite naturally to our minds, and the Holy Spirit. The Holy Spirit intercedes for the saints according to the will of God, enables God to answer the prayer He Himself prays in your bodily temple and mine – that we may be the children of our Father which is in heaven. The Holy Spirit cannot delight in our wisdom; it is the wisdom of God he delights in.
