

New Location for Video and Audio Resource Centre.

The “video library” moved this week into a new, separate room within the “green room”, in the basement. It has more space than the old room, so feel welcome to come in and browse the collection:

- Adult and teen videos are on the whole left wall and the top two shelves of the right wall
- Children’s videos are on the right wall
- Audio tape recordings [still in boxes] are on the lower left wall, just as you enter the room

The Second Chance. A suburban pastor is forced to confront his own prejudices in this powerful tale of faith, redemption, and finding common ground. At the wealthy church “The Rock”, the pastor brings parishioners to their feet with his electrifying music. But his unconventional ways upset the church elders, and as a result, they give him a new assignment: to work for The Rock’s sister church, called “The Second Chance”, in the city’s poorest neighborhood. Joining forces with a brash, street-smart minister at the Second Chance, the pastor’s faith and loyalties are put to the ultimate test to overcome differences and restore hope in an area desperate for change. Can the faith that these two men share overcome the prejudices that divide them? English. French. DVD. **[A846a]**

Despite their tremendous loss, and as a testament to their faith, the families decide to remain in Ecuador and live among the Waodani as originally planned. A young boy, determined to unlock the secret of his father’s death, must learn to accept a tragedy he cannot remember in this powerful tale of sacrifice, courage and redemption.
