NEW VIDEOS FOR CHILDREN:

“**Read ‘n’ See DVD Bible**”, authored by Stephen Elkins. DVD contains 40 short Bible stories and 40 Bible sing-along songs. The accompanying read-along book is a simple, colorful, well-illustrated, easy-to-read transcript of the 40 Bible stories and Bible verses. The appealing illustrations in the book also appear on screen. All the words to every quoted Bible verse, every story and every song appear on screen. It has simple and well-chosen vocabulary, sentence structure and story development. Scriptural quotations are from NIV or NASB. There is clear enunciation by narrators, actors and singers, including George Beverly Shea, Joni Eareckson Tada and others. Child can watch and hear the story on screen; read story in book and on screen; read Bible verses in book and on screen; look at illustrations in book and on screen; read, hear and sing the songs presented on screen; and discuss them with teacher, parent or others. Intended for ages 3 - 8, but perhaps more suitable for school-age children. Adult guidance is desirable because, although the author has aimed for and achieved a high degree of excellence, it must be remembered that no human work is perfect. Just as it is difficult to make a faithful translation of the Bible from one written language to another, it is equally difficult to make a faithful translation from the written word to images. Teachers, parents and grandparents can enjoy and benefit from this DVD and book. 3 hours. English. DVD and book **[C102a]**
